## CHARACTERISTICS OF GEM

---

Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.**

**Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.**

No core connected person of the Company has notified the Company that he/ she/ it has a present intention to sell any Shares to the Company nor has any such core connected person undertaken not to sell any of the Shares held by him/ her/ it to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

### **2. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,766,208,103 fully paid Shares.

Subject to the passing of the ordinary resolution for the approval of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of passing of such resolution, the Directors would be authorised to repurchase up to a maximum of 276,620,810 Shares, representing 10% of the issued Shares as at the Latest Practicable Date, during the period ending on the earliest of (i) the date of the next annual general meeting of the Company, (ii) the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or any applicable laws of the Cayman Islands, or (iii) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

### **3. REASONS FOR THE REPURCHASE**

The Directors have no present intention to repurchase any Shares but consider that the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole. An exercise of the Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets per Share and/ or earnings per Share and will only be made when the Directors believe that a repurchase will benefit the Company and the Shareholders as a whole.

**4. FUNDING OF REPURCHASES**

Pursuant to the Repurchase Mandate, repurchases would be funded entirely from the Company's available cash flow or working capital facilities which will be funds legally available under the Cayman Islands law and the memorandum and articles of association of the Company and the GEM Listing Rules for such purpose.

**7. DIRECTORS AND THEIR ASSOCIATES**

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, their close associates, have any present intention to sell to the Company or its subsidiaries any of the Shares in the Company if the Repurchase Mandate is approved at the AGM.

**8. UNDERTAKING OF THE DIRECTORS**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and applicable laws of the Cayman Islands, and in accordance with the regulations set out in the memorandum and articles of association of the Company.

**9. EFFECT OF TAKEOVERS CODE**

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such an increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. The Directors are not aware of any Shareholder, or a group of Shareholders acting in concert, who may become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code in the event that the Directors exercise the power to repurchase Shares pursuant to the Repurchase Mandate.

**APPENDIX I****EXPLANATORY STATEMENT**

As at the Latest Practicable Date, the following Shareholders are interested in more than 10% of the Shares in issue and in the event that the Directors exercise in full the power to repurchase Shares in accordance with the Repurchase Mandate, the percentage interest in the Shares:

2. As at the Latest Practicable Date, Huang W was the beneficial owner of 425,568,000 Shares. She is the spouse of Wong DS and is deemed to be interested in all the 36,576,000 Shares in which Huang W is interested under Part XV of the SFO.

4. As at the Latest Practicable Date, the total number of the issued shares of the Company was 2,766,208,103.

In the event that the Directors exercise the proposed Repurchase Mandate in full, the increase in above percentage of interest in the Company would not give rise to an obligation to make a mandatory offer under the Takeovers Code.

The Directors have no present intention to exercise the Repurchase Mandate to such extent as to result in takeover obligation or the public holding of Shares would be reduced below 25% of the issued share capital of the Company.

#### **10. SHARES REPURCHASE MADE BY THE COMPANY**

No repurchases of Shares have been made by the Company (whether on the Stock Exchange or otherwise) during the six months immediately prior to the Latest Practicable Date.
